**Max Gerston:** "The final round of the Western Hare Scramble series was great. I basically just needed to finish to wrap up the title. With the intense conditions, crazy silty dust, and a technical course, I just wanted to have a good clean solid race. I worked my way up to 3rd after a mediocre start and stayed there the whole race. My goal was to just finish strong and not get greedy for a win. I am stoked to regain the WHS title for myself and the team!"

**Zane Roberts:** "I had a blast this weekend in Wilseyville for the final round of the Hare Scrambles! I finally got to race Open Pro this weekend after wrapping up the 250 Pro championship at the previous round and was pleased to come home with a second place in what would be a Beta sweep of the podium! Huge thanks to the all the team, family, and friends that made this race and the season such a success!"

**Joe Wasson:** "It was a fun but dusty race! I started out getting the hole shot and led the whole race! The course was super fun, but the dust made for a very challenging race! My Beta 430 worked flawlessly!"
