Beta USA is happy to announce the re-signing of Max Gerston for the 2020 season! Gerston showed great determination last year after winning the AMA West Hare Scramble series championship title for a second time in his career. He has become a great asset to the Beta Factory team and has shown that he is capable of achieving greatness, while staying humble and being a role model for the future generations of extreme enduro riders.

Gerston is set to compete in the EnduroCross series and the Extreme Enduro series in 2020.

I feel that Max has more to bring to his racing career, and now that I've had the opportunity to work with him the last 3 years I feel that we are now starting to work together. I'm looking forward to helping Max excel in his career!!"
